

Farewell Social

The social last Friday night tendered to Elders Walter Michaelis and Archie Munns, who leave soon to preach the gospel in Switzerland and Germany, was a very pleasant affair and a financial success. Dancing was indulged in and the hall was jammed with friends of the young missionaries. A purse of \$93.40 was collected and equally divided between them—46.70 each. During the evening Elder Munns responded in a few words of appreciation, but Elder Michaelis was too embarrassed to appear before such a large crowd. He promises to give us a long sermon on his return. The Globe hopes to see these young men fill honorable missions and return in peace and safty.

Its A Top Notch Doer.

Great deeds compel regard. The world crowns its doers. That's why the American people have crowned Dr. King's New Discovery the King of Throat and Lung remedies. Every atom is a health force. It kills germs, and colds and la grippe vanish. It heals cough-racked membranes and coughing stops. Sore, inflamed bronchial tubes and lungs are cured and hemorrhages cease. Dr. Geo. More, Black Jack, N. C., writes "it cured me of lung trouble, pronounced hopeless by all doctors." 50c, \$1.00. Trial bottle free. Guaranteed by All Druggists.

Splendid Outlook.

President W. S. Hansen of the Bear River Mutual Fire Insurance Co., gave us a pleasant call last Saturday. He informed us that the company had issued 100 policies and that applications for insurance are

coming in daily. The company has a fund of \$10,000 in the treasury already and the outlook for the company in the future is very bright. The policies issued cover most of the ecclesiastical property in the valley besides many farm homes and other property.

J. J. Shumway is representing the company on this side of

the Bear River and P. F. Madsen and D. T. Woodland are the agent for the company on the east side.

It is expected that \$50,000 worth of school property will be landed with the company in a few days.
